

*Friends  
forever*

As Kelly  
is the first person  
you and I sign your annual, I  
doubly privileged.  
next year. I am neat person, I  
next year. I am glad to meet  
at College. Good Luck be with  
God Bless Always  
Neil Dyer

Dear Kellie,

This year has been so much fun. I'm really sad that you won't be around next year to help me through Algebra. I can't begin to tell ~~you~~ how much your friendship ~~together~~ has meant to me. We (you, Eddy, Brad & me) really had a lot of fun times together. You & Eddie were the only friends that me and Brad had together. I want you to promise that whenever you come home <sup>you</sup> ~~not~~ call me. We can go drink some 7in7's together. Tell Dawn that I'll be glad to keep Ashley anytime. I know you'll be gone all this summer but try to keep in touch. You know I've learned a lot from you, but the main thing I've learned is — take it easy on the champagne! Kellie, I've always admired you for your easy going attitude. You are definately one of my very favorite seniors. You have a lot going for you. I hope you have fun in college. If you ever need any more "Bitch" lessons, I'll be glad to give them to you free of charge. Thank you for all the times you have stood up for me. That means a lot to me. I also admire you because you never fill in with the crowd. You were always strong and ~~big~~ enough and brave enough to speak up for what you believed in. You keep on fighting for your opinion and I'll keep on fighting ~~off~~ all the soon to be Ex-Senior girls off of Brad. Take care of yourself always. God Bless ya.

Amen Ya.

Christy

There are 1300 students, which means you can get to know most or all of them. About 450 students live in the four campus residence halls. It is easy at McMurry to make the kind of friendships which last a lifetime.

You will become personally acquainted with many of our 80 faculty members, as well as librarians, administrators and others in the McMurry community.

Students come to McMurry for many reasons. They say that they remain because of the quality of the student body and faculty, and because of the friendly, informal atmosphere on campus. The best way to become acquainted with life on McMurry campus is to visit us and learn first hand.

## Back to the basics

Certain attributes and qualities are basic to life itself. Among these are happiness, sense of accomplishment, personal value, appreciation of fellow man, kindness, patience, temperance, conscientiousness, and faithfulness. This is by no means a complete list, but these are examples of the "basic" qualities of life. These "basics" are not taught from a text book — for, indeed, they cannot be lectured into existence. Rather, they are slowly learned and incorporated by following the examples of others. The teachers and staff at Abilene Christian University try to live their lives by these basic standards. Join us in a return to the basics.

The cheerleaders of '78-'79 proved to be superior in achieving their goals. At summer camp they were highly rewarded with three spirit sticks and were nominated for the "Award of Excellence."

Throughout the school year, our Super Six has shown a great display of spirit as they attended all the sports activities of the teams here at Cooper.

## Intramurals

The Cooper intramural program has really come alive in the last couple of years. Students from each homeroom have the opportunity to participate in a number of sports including football, volleyball, tennis, track, ping pong, and basketball.

Intramurals give students who are not on a varsity or junior varsity team a feeling of competition and the chance to become involved in athletics.

The teams are made up by combining homerooms or by individual homerooms competing against each other. A large majority of these homerooms participate in the different sports throughout the school year. Many rivalries occur between the teams during competition.

The man behind the scene is Mr. Carl Childers. He keeps all of the teams and their schedules organized and is the director of the many activities that intramurals require throughout the year.

The Golf Team practiced many long hours at the Country Club and the Maxwell Municipal course this year to improve their golfing skills and lower their scores. The team was selected in their endeavors by coach Mel Lindsey, who worked constantly at helping the young men improve their golfing skills.

Senior team member Sheila Baber sparked enthusiasm the entire year, and transfer student Jayne Stackhouse displayed great ability this year. Also, sophomore Varsity member Renee Morgan proved to be an outstanding player with great spiking ability.

The Junior Varsity Volleyball Team placed fourth in District AAAA competition and won consolation in the Big Spring District Tournament. Brenda Walker was chosen all-tournament player.

The Cooper Men's and Women's Gymnastic Teams led for sixth year by Coach James McKinney, attended fourteen distinguished meets this year. Hard work, practice and devotion are factors accredited to the teams' successes. The Men's team was strengthened by five returning lettermen, J. T. Fletcher, David Hardy, Larry Henson, David Watson and Gary Kline. Yutaka Uno, Cooper's foreign exchange student from Japan, helped the team in district and state competition. Returning gymnasts for the Women's team were Julie Julien, Donna Dwell, Cathy Cubine, Cindy Caldwell and Christi Scott. The men's team was assisted by Coach Stephanie Taylor. Even though the season started Jan. 25th, both teams practiced daily, since the beginning of school. The first district meet was at home, and the last meet, at state level, was held in Austin.

The Cougars did well during the rest of the season. They placed highly in district competition with Midland Lee being their toughest competitors.

Coach Beverly Ball said she was proud of the team's performance at regionals since both teams did well. Mike McGlothin had a good showing in the 500 yd. free-style.

The 1979 Cougar Baseball team was a strong contender this year. Leading the team with strong pitching ability throughout the season was Eddie Jacques. This year's returning infielders were Mike Anderson, first base; Mark Hewitt, second base; Bobby Mize, catcher; Tracy Thomas, short stop; Gary Mearse, third. Jay Zumwalt and Bobby Bilberry returned to the outfield for another season of play.

Cougar Baseball swung into action this year with a second place in district, tied with cross town rival Abilene High last year. The Cougars toughest opponents were Midland Lee, who won district last year, and Abilene High.

With the great coaching ability of Chester Dougherty and assistant coach Kent Finley, plus plenty of desire to win from the players, the Cougars had a fine baseball team.

The Junior Varsity team completed their season with a 10-13 record. "The junior varsity improved tremendously this year," stated Coach Lynn Condron.

With an extremely young varsity and an improved junior varsity, the Cougars should have a great season next year.

Under the leadership of Coach Steve Buck, the Cooper tennis team had a good and exciting year. Completing a 5-2 record in district play, the Cougars most favorable win was a 18-0 win against Cooper's cross-town rivalry, Abilene High School. The Cougars finished in district with losses to Midland High and Permian only.

Both men's and women's teams offered strong opposition with some players qualified for championship play. Jeff Boykin, Lance Proctor, Scotty Orren, and Guy Coughran were those among the boy's team while Marian Scarborough, Lana Yielding, Lisa Utasi, Kami Cross, Laurie Teal, and Dena Mynatt qualified for the girl's team.

The 1978-1979 tennis team's showmanship in tournaments throughout Texas proved once more that the Cooper players deserve their excellent reputation. The talent of the team and the skill of their coach led Cooper to many victories and to even greater expectations for next year.

Jeff Boykin shows the true perfection of a pro.

# Cougar Basketball

The Cooper varsity basketball team, coached by Marc Case, started their pre-season against Fort Worth Paschal. The Cougars lost their opener 73-60. The Coog's pre-season schedule had them playing in three states. Having played in three tournaments, the Key City tournament, Waxahachie tournament, and Reese AFB tournament, the Coog's won consolation in the Key City, and Reese AFB tournaments by beating Abilene High in both games. The Cougars ended pre-season with a 6-10 record, but had high hopes of winning district.

The Cooper junior varsity team did a little less than was expected of them in their 78-79 season. The J.V.'s ended their season with a 9-12 record under the supervision of Haskell Sinclair. The team was aided by Ronny Houston, Jay Miers, Mike Morgan, and Lanny Dycus.

The varsity team was picked to win second in district behind Midland High. This prediction became true when Midland defeated Cooper in a hard fought game in the Cougars gym. However, the Cougars ended the first half of district by beating Abilene High for the third time.

The Cougars got off to a bad start in the second half by losing to San Angelo in double overtime. On the other hand, the Cougars beat Midland Lee for the first time in Lee's home gym. The Cougars ended up losing to Midland High and Big Spring also. But, as fate will have it, the Cougars ended their season in victory by defeating Abilene High for the fourth consecutive time.

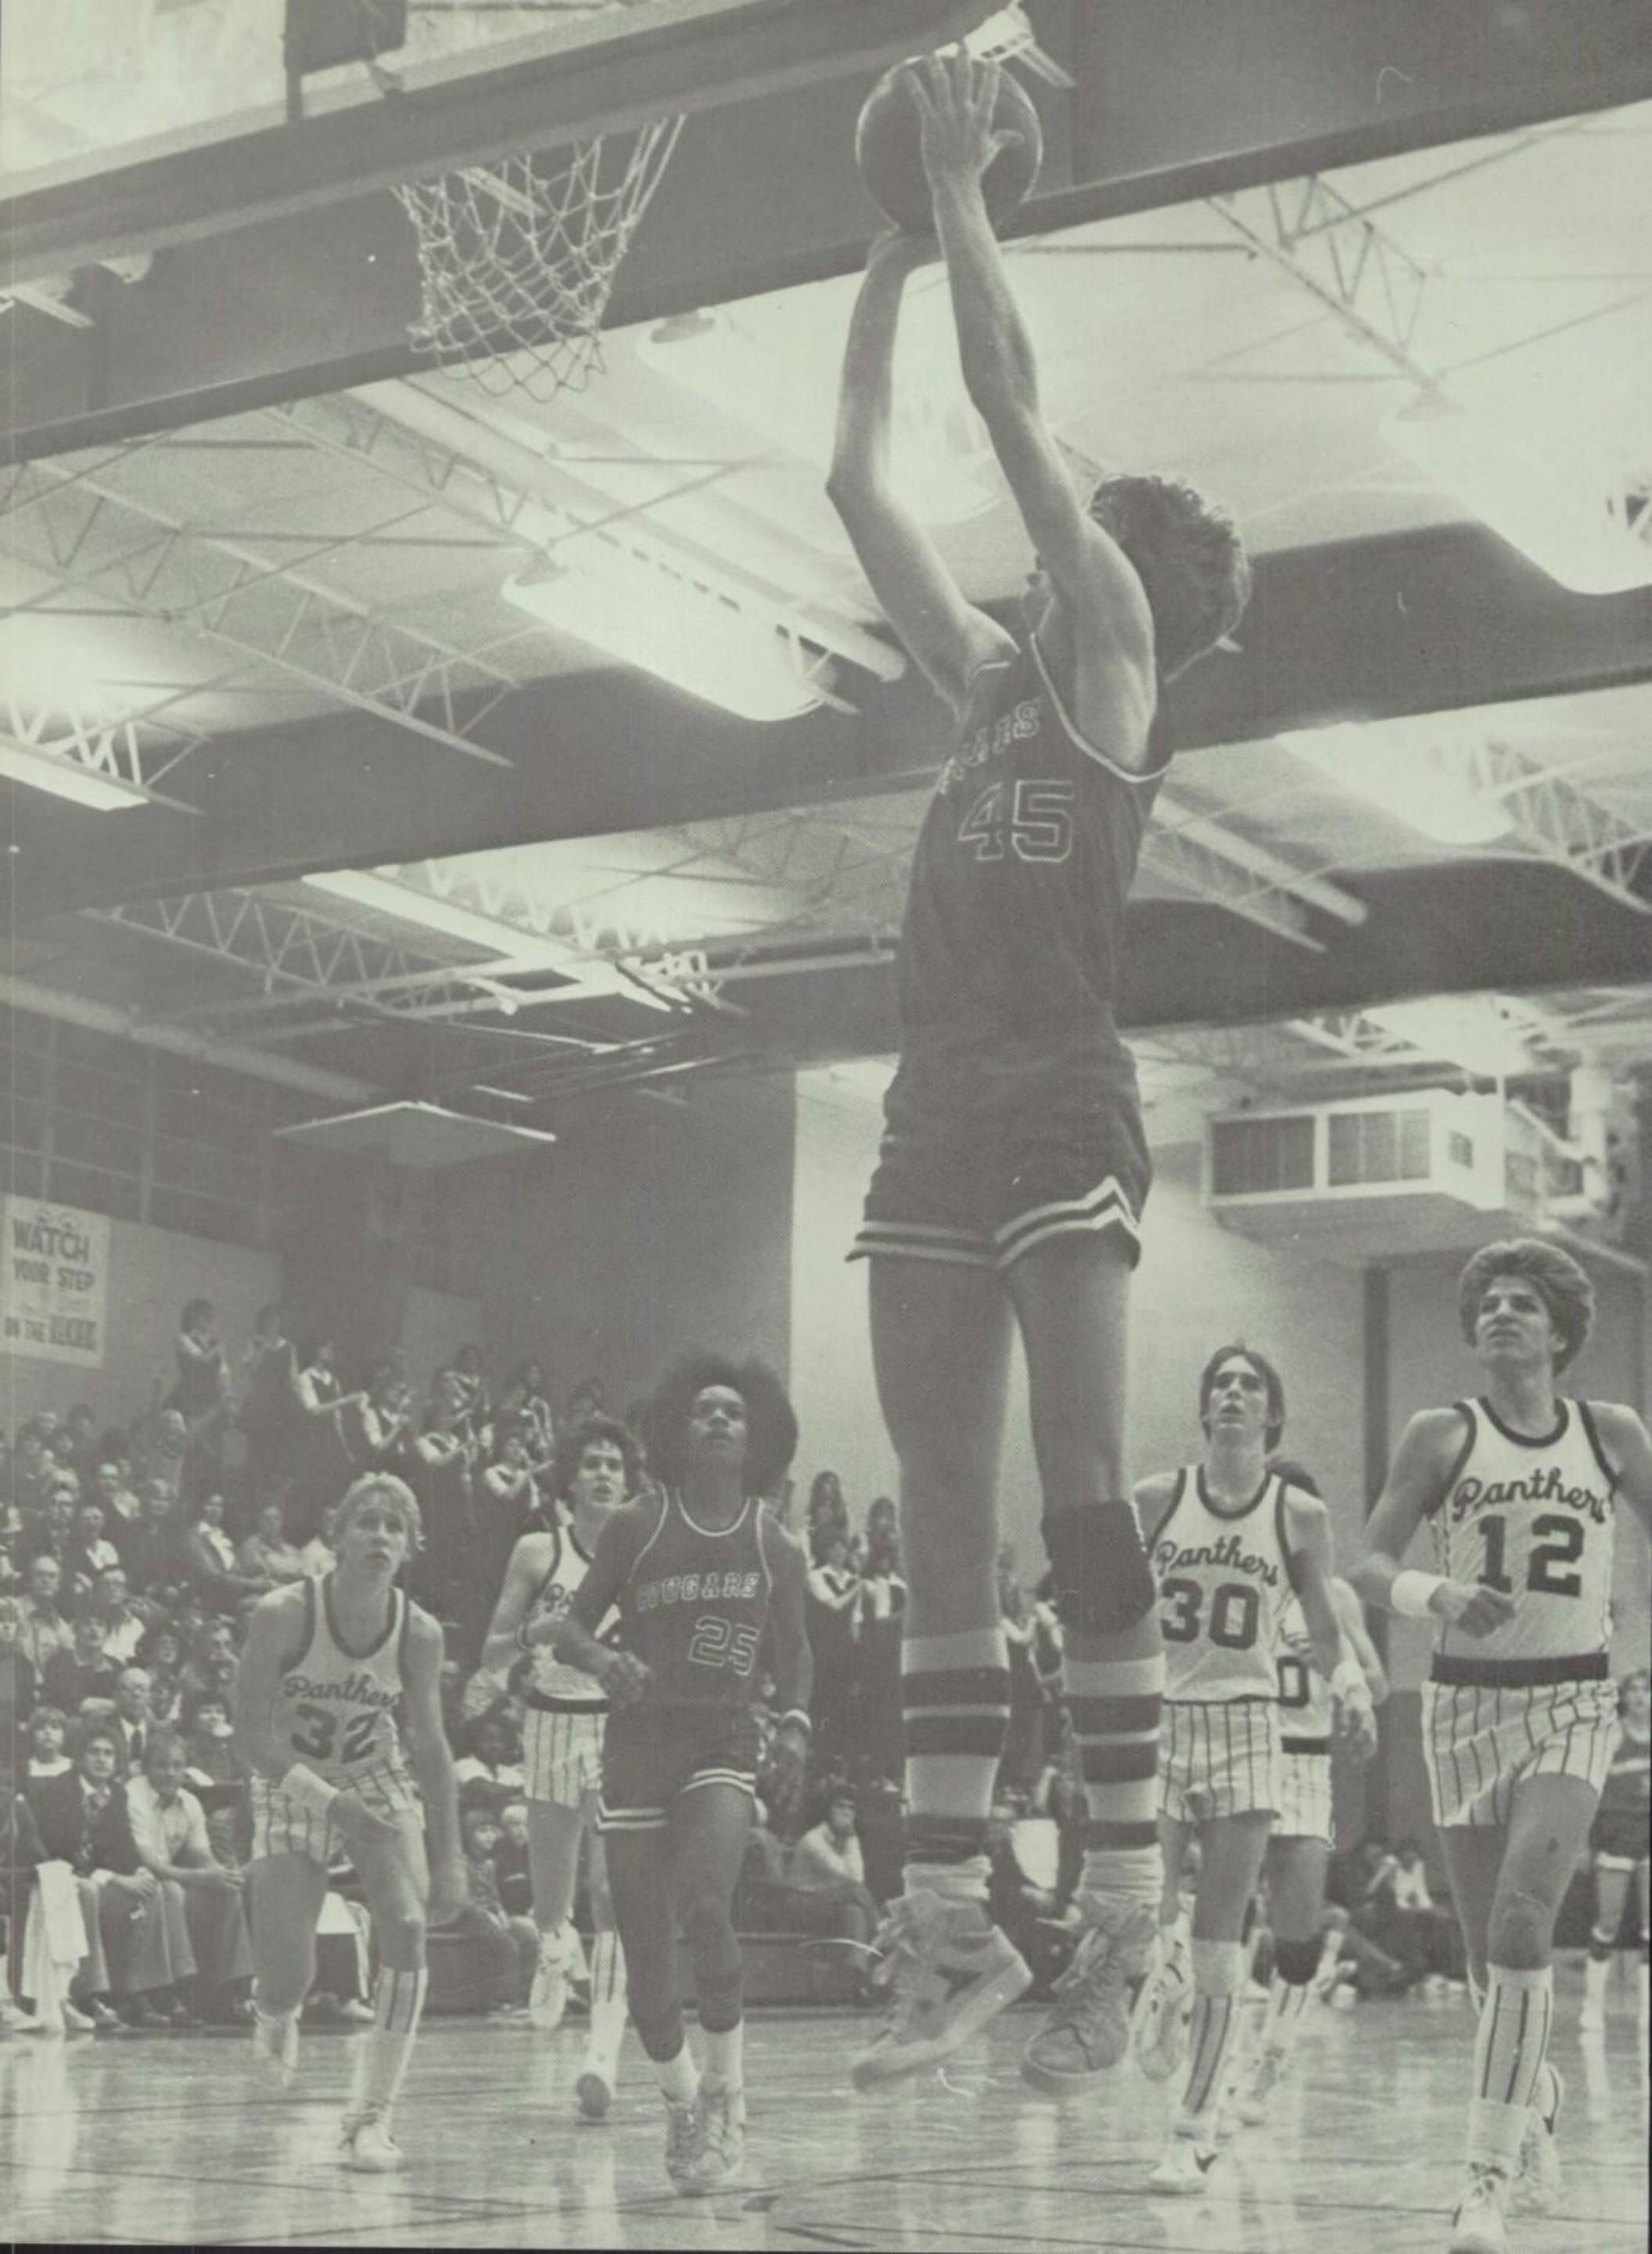

The Cougars were led by returning lettermen Mike Anderson, Greg Cruse, Blake Korman, Reggie Cruse, and Terry Orr. The varsity was gifted also with Kenneth Henry, Kyle Stuard, and David Williams.

The *TALISMAN*, in 1961, was presented for the first time to Cooper students. Now, eighteen years later, the *TALISMAN* has strived to become an outstanding publication. The *TALISMAN* reflects the year's activities, events, and most of all, you, the students of Cooper High School and combines them into one book.

The staff and photographers worked hard throughout the year to produce the *TALISMAN*, but of course the *TALISMAN* would not be if it were not for our editors. Special thanks to Mary Carter and Mitch Wright, editors-in-chief of the *TALISMAN* and Nanis Guerra, business manager. Assistant editors were Paul Lammers and Sharon Mitchell. Associate editors were Jane Grant and Stacey Lowe. Art editor was Randy Ross and head photographers were Josh Johnson and Carl Ferrell.

The 1978-79 *TALISMAN* staff leaves this book and a year of their lives with you in hopes that somewhere within this yearbook, whether exciting or boring, is worth remembering. Our special thanks to Mr. Robert Holladay, sponsor, and Mrs. Doris Allen, business sponsor, for their support.

The Commentarius staff began another year dreaming of creating a masterpiece through their literary magazine. Staff members, also wrote, directed, produced, and starred in a super-thriller spy film, "The Mystery of the Missing C's." The remainder of the year was consumed by reading, reviewing, and rereading, and rereviewing: prose, poetry, art, and photography selections submitted by the student body. The finished publication reflected their expertise in judgement.

The art of cinematography has a creative and exploratory heritage in our culture. This heritage, as well as film excellence in the present, is the main focal point of the Cooper High Classical Film Society. The Film Society, sponsored by Mr. Robert Holladay, studies and discusses trends in film-making and individual artists of the silver screen. The weekly film schedule is designed to give students and the community a chance to see the great classic motion pictures.

The film Society has a 30 by 50 foot Cinemascope screen which enables patrons to see certain movies in the proportions which they were meant to be seen. Along with Cinemascope, the Film Society added another dimension to movies by showing a 3-D movie at the annual Halloween party.

Acquiescence, articulate, diction, debatable, interpretation, oration, organization, introduction, gestures, persuasion, confidence and poise ... These are some of the words often heard from Cooper Speech Team members. Throughout the school year the group travels to various high schools in the state to compete in speech tournaments. There are several areas of competition: debate, original oratory, extemporaneous speaking, dramatic and humorous interpretation, prose and poetry interpretation, and duet acting. This season has been one of the speech team's most successful. They won first place sweepstakes at a Brownwood tournament, and a second place in Senora. Many students qualified for a Texas Forensic State Tournament. The team also participated in several U.I.L. tournaments.

The speech team director and coach is Mr. Ralph Thornhill. This years officers were the following: Margaret Ann Rose, President; David Cox, Vice-President; Nancy Ferris, Secretary; Meaders Moore, Business Manager; James Boyd, Treasurer.

International Thespians is an honor organization, and membership must be earned. Points toward membership are accumulated by performing and doing technical work. Students often spend Saturdays building sets and making costumes, and the casts of Cooper productions give hours of their evening time in preparing for glittering opening nights.

In addition to full-length productions, such as this year's homecoming play, "The Merchant of Venice" by Shakespeare, and the annual spring musical comedy, the drama department also enters the U.I.L. One-Act Play Contest. The organization presents awards at the end of the year to the actors and technicians who have distinguished themselves in the Cooper Theatre season.

Cougar's Pride is an organization which has been a familiar sight at sporting events at Cooper High School for the past six years. Approximately 180 sophomores, juniors and seniors who made up the body of Cougar's Pride for the 1978-79 school year promoted spirit in all areas of school activity.

Cooper football fans were entertained at the home games with the Pride's flash card displays and during the games with hand routines to the band's new repertoire of songs. Cougar's Pride turned out in large numbers to follow the Coogs in their out-of-town endeavors and also showed their spirit by cheering the Coogs on to victories.

The girls made money to support Cougar's Pride by selling all new Cougar hats and toboggans in the fall, and magazines in early October. Cougar's Pride girls also participated in the summer Cougar Booster Club drive by selling memberships as well as bumper stickers.

The sponsor for the 1978-79 Cougar's Pride was Vicki Chandler. Becky Kidd served as President, Mary Roemisch as secretary-historian and Lisa Lamb as Treasurer. Squad Captains were Jennifer Wayman, Carla White, Jennifer Hunter, Perri Kirk, Kelley Karrenbrock and Caroline Rose.

Cougar's Pride seeks to continue in its successful activities on the CHS campus in the years to come. Truly these girls through their dedication and long hours of work are the "Pride of the Cougars."

The Cougar's Pride sponsors for the 1978-79 school year were Sharon Townley, Barbara Williams, Cheri Haynes, Nikki Allbrooks and Vicki Chandler.

## COUGARETTES

The Cougarettes, drill team here at Cooper, are in their fourth year of entertaining the halftime crowds at the football and basketball games.

They also added a lot of spirit by performing at the pep rallies.

They prepared for the year by attending a summer camp in Dallas, where along with many ribbons, they brought back with them the camp pom pom for being one of the most spirited groups there.

Earlier in the year they marched in the West Texas Fair Parade, and in January and March they attended competitions in Grand Prairie and Dallas, where they performed along with drill teams from across the state.

To raise money for their trips, they sold candy, hats, and magazine subscriptions.

The sponsor was Mrs. Nikki Allbrooks and the 78-79 officers of the group were Captain, Dee Ann Knight, and Lieutenants, Joretta Densman and Susan Hall.

Thanksgiving baskets were distributed to many of Abilene's needy citizens. The officers and other council members also hosted students from Abilene High on "exchange day." To raise money for the school, the Student Council held a money jar competition between the classes. The annual Merry Andrew assembly was another of the council's successful projects. In the fall, the faculty and students were entertained by a multi-media program entitled "Fat City." By working together, the Student Council helped to make the 1978-79 school year a productive one.

The National Honor Society encourages students to display scholarship, service, leadership, and character at school and in the community. Members of the Cooper chapter are selected for membership by the faculty on the basis of grades and citizenship. After induction, a student must retain high academic standing and character.

In keeping with years past, the National Honor Society had a busy year. This year's activities included the annual fall and spring inductions and the Valentines Post Office. Members also helped organize a college night in cooperation with the Abilene High chapter. The major fund-raising project was the Bid Board which was held in the spring.

Honor Society officers for 1978-79 were the following: Tommy Snow, President; Meaders Moore, Vice-President; Donna Hollrah, Recording Secretary; Nanis Guerra, Corresponding Secretary; and Becky Kidd, Treasurer.

Two members of the Film Society rehearse the technique of watching a 3-D movie.

Two entrants of the costume contest were Natalie Mueller and Tracey Lowe.

Winners were from left to right: Clay Hale, Kathleen Thompson, Glen Vargas, Mrs. Toni Ivey, and Rusk Dorsett.

Every year, the Cooper Film Society presents a horror film on Halloween. This year's film was "The Creature From The Black Lagoon", starring Richard Carlson and Julie Adams. Being the first 3-D movie shown at Cooper, it was a big hit. Because such an overwhelming response was anticipated, the Film Society scheduled two showings. Between the two features, a costume contest was held. Many people participated, making this year's Halloween movie the best yet.

# Class of 81 Has Just Begun

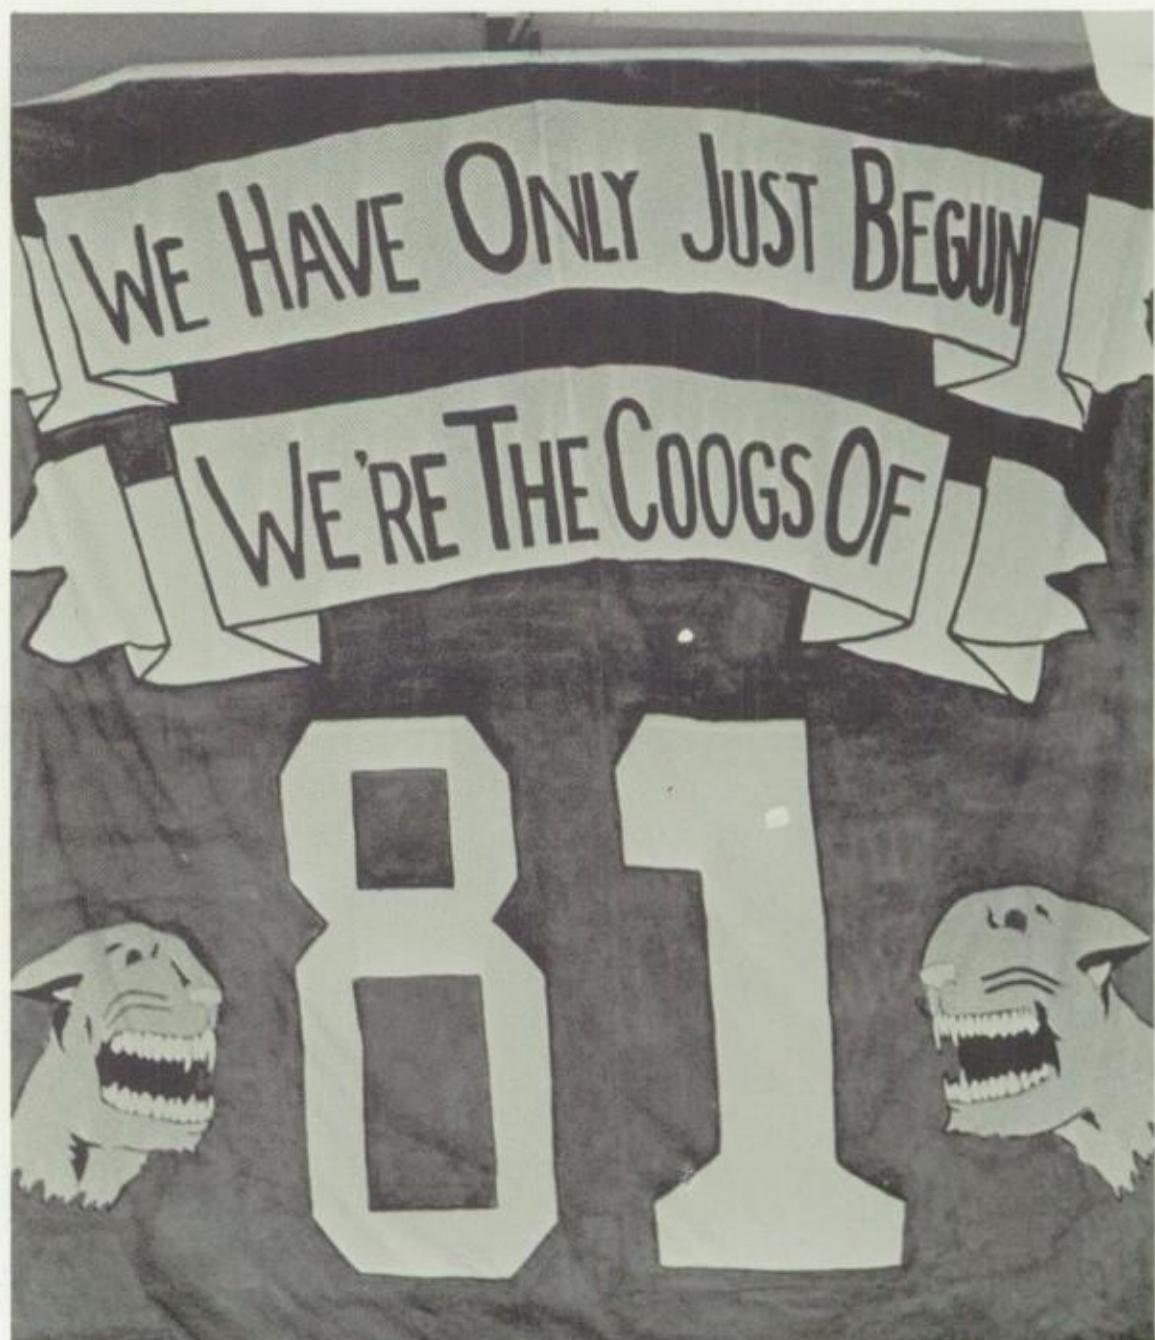

A.

Starting out from the beginning, the Coogs of '81 proved to be an outstanding class. With 735 students, the 78-79 sophomore class has been one of the largest in Cooper's history. Getting involved in school activities and helping with school spirit are just a few of the things the sophomores did this year. The class slogan "We Have Only Just Begun, We're the Coogs of '81" shows enthusiasm for the future years at Cooper.

This years sophomore class officers were the following:

Sherri Gruber, President; Caryn Coody, Vice-President; Nelda Collins, Recording Secretary; Terry Jacques, Corresponding Secretary; Julia Scarborough, Treasurer; Terry Norton, Student Council Representative.

A. Spirited class officers go 50's!

Yutaka Uno . . .  
A. types a letter to his family.  
B. during gymnastic workouts.  
C. expresses his opinions about Cooper.

B.

Yutaka Uno, Cooper's first foreign exchange student since 1962, came to Abilene from his home in Mikata, Fukuiken Japan. He went to Mikata High School through his junior year, and attended Cooper as a senior this year. His sponsors in Abilene are Lt. Col. William and Mrs. Whitaker.

Yutaka's many interests include playing the guitar and reading. He is on the gymnastics team and will perform on District and State levels. Yutaka did not have much previous training in gymnastics, but performs his events exceedingly well. One of his favorite American foods is Kentucky Fried Chicken.

For a Japanese, Yutaka speaks English fairly well. Japanese students learn English in school as a required subject, starting in the 7th grade. English is centered mostly around reading and writing in Japan. Therefore, he practiced many hours at home to master the English language, in order to communicate with people after leaving Japan. Yutaka says "When I say something—I can't explain it like I think . . . I wish I could say more. But I'll be better next time I come."

# Seniors

"We're the Coogs of '79, Best Class of all Time," the class slogan, portrayed the senior class this year. As sophomores, the Coogs of '79 said "Spirit Will Shine in '79" . . . then, stressing the spirit with "'79 is Shining Thru' We're the Best of the Big Blue Crew," as juniors—proved the spirit shown throughout the years.

This year's senior class sponsored and actively participated in many events. In the fall, sponsoring a Bar-B-Que, to kick off the football season, and for Homecoming, hosting a reception and dance for the exes. Also during the fall, an Ugly Man assembly was hosted. Faculty and students alike enjoyed watching the contest that determined the most ugliest, wierdest, and different (or daring?) student that roamed the halls of Cooper. During the winter, try-outs for the Senior Musical, "Mame," began. Seniors who participated in the musical contributed much of their time, and left a part of themselves to be remembered for years to come. Another exciting event that occurred in the spring was the Powderpuff Football game. The teams were Senior Women vs. Junior Girls. And then, topping off the year with a picnic and a trip to Six Flags Over Texas. All these, and many more activities sponsored by the senior class, showed that Cougar spirit shined throughout the seniors' last year at Cooper High School.

Officers for '78-'79 were the following: Brad Kendrick, President; Mark Reedy, Vice-President; Dee Ann Knight, Recording Secretary; Jennifer Wayman, Corresponding Secretary; and Margaret Anne Rose, Student Council Representative.

# Principal Stresses Unity of Students

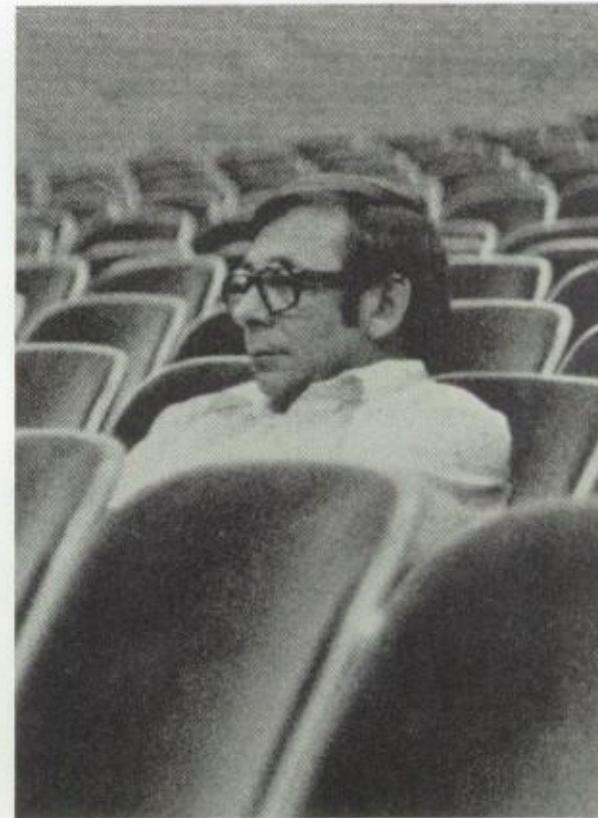

Roger C. Bauernfiend

Mr. Roger C. Bauernfiend spends many hours of the day and night working to make Cooper a truly great high school. No invitation is needed for him to show up for school activities, because he wants to be where the students are in action. This principal cares about each individual and helps out with any problems they may encounter. Mr. Bauernfiend's main theme is unity, and it is stressed among the students of Cooper High School. Our principal and faculty learn new ways every day from students and each other the best way to teach students and gain their highest education possible.

Mr. Bauernfiend has worked in other Abilene public schools in earlier years, and for the past four years has made Cooper a school Abilene can be proud of. He received a Bachelor of Science degree from the University of Wisconsin and a Master of Administration from McMurry College of Abilene. Cooper recognizes '78-'79's principal as a very great man, as he strives to make the school the best place for all.

Mr. Bauernfiend watches students in action.

Robert Hughes

When Cooper High School opened its doors in 1961, there came with the new school a man who has given so much to so many students. He has done such diverse things as sponsor a newspaper, teach English, and teach photography. He has a wife, Joyce and three children: Shelia, Karen, and Chris.

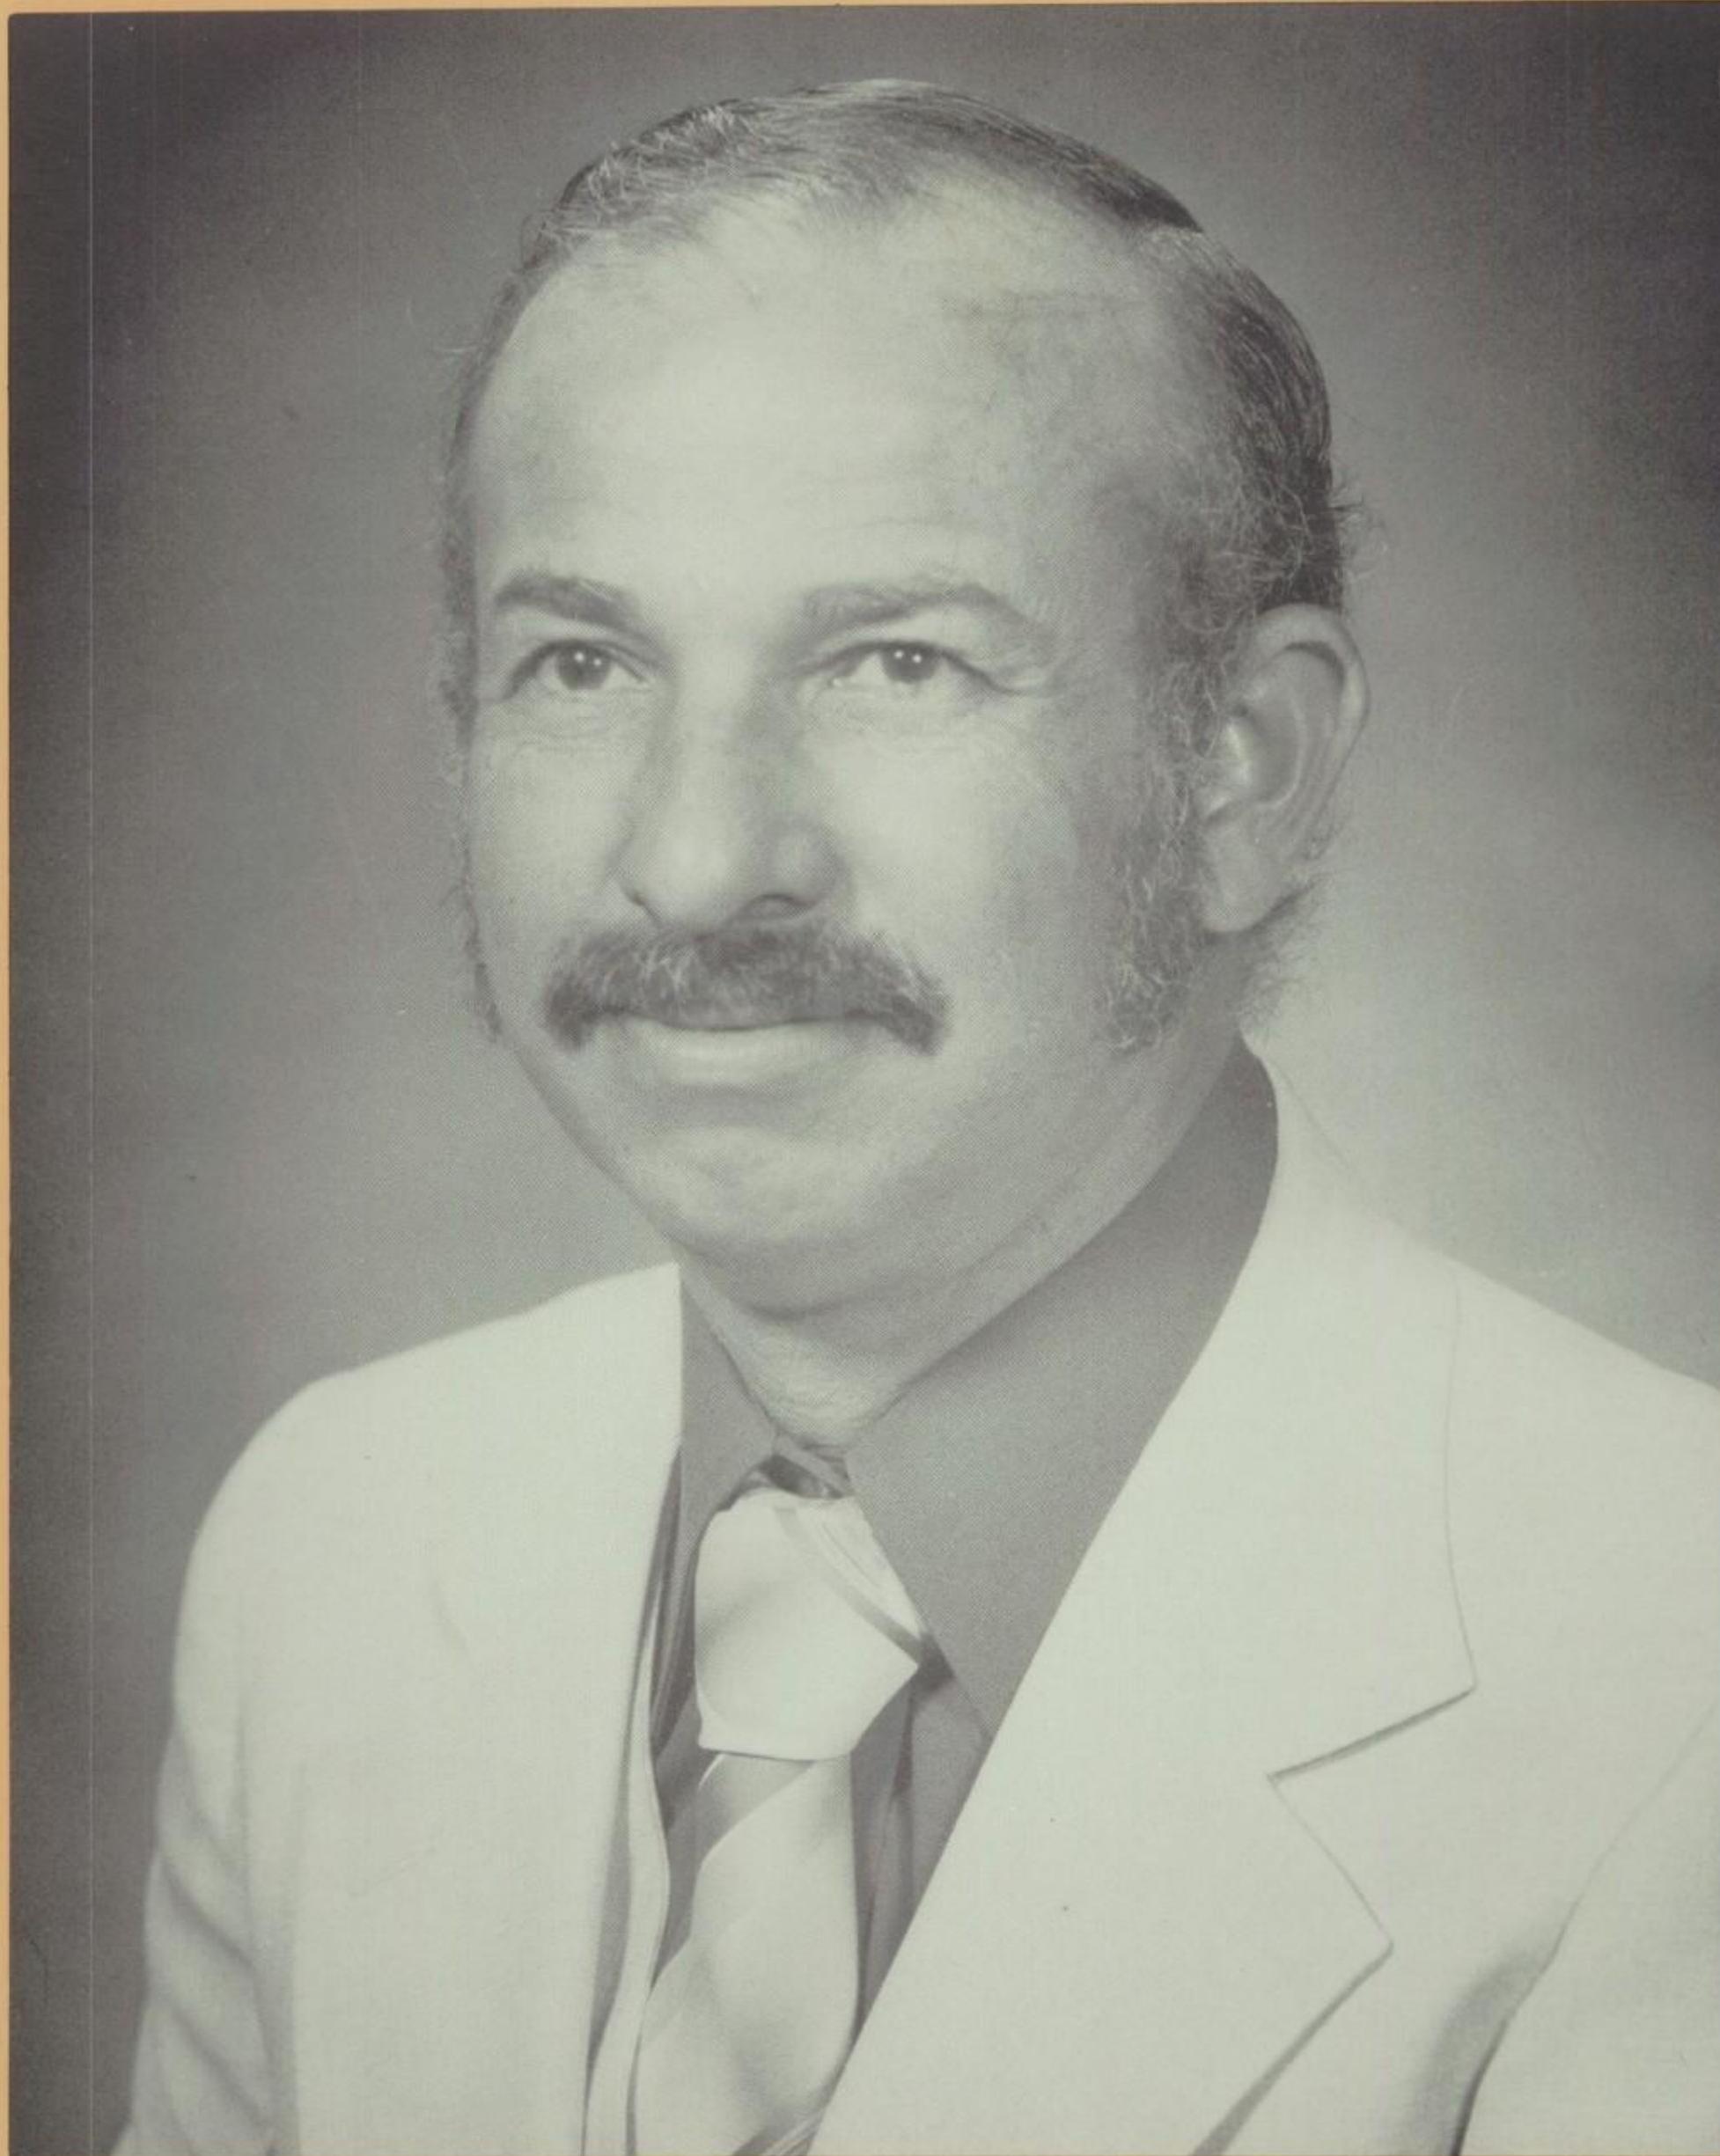

He is a good friend to Cooper High School and a special friend to the Cooper yearbook staff. He has spent many hours aiding both the newspaper and yearbook.

It is with great pride and deep gratitude that the 1979 TALISMAN staff dedicates the book to

MR. JACK CUMMINGS

*Thank you for being our friend!*
